

ABOUT US

Turning Leaf Support Services is a non-profit, charitable organization dedicated to providing crisis and treatment services to those experiencing intellectual challenge and mental illness.

Our services are provided by caring, skilled community members that are dedicated to helping those experiencing intellectual challenge and mental illness. Our employees are deeply committed to working with participants in addressing the seemingly insurmountable obstacles they face every day: addiction, discrimination, homelessness, poverty, stigma, isolation, and loneliness. Turning Leaf Support Services builds trusting relationships with people, helping them engage a process of change and providing a sense of hope.

Being a part of the Turning Leaf family means you will have the opportunity to make a direct and positive impact on people's lives every day. The work is challenging in all the best ways and deeply rewarding. Many of our employees say they have found their life's purpose while working here.

Turning Leaf Support Services provides ongoing, meaningful training to ensure we remain an industry leader, that our employees have the skills and confidence to be successful in their careers, and so our participants receive the best possible support services to help them live the life they imagine for themselves.

We are an organization that pledges to uphold a workplace culture of inclusion, diversity, compassion, and respect. We are constantly growing, and we are always hiring. If you feel called to be a part of the Turning Leaf team, please apply today.

RESIDENTIAL SUPPORT WORKER JOB SUMMARY

Turning Leaf Support Services' Residential Support Division is designed to provide 24-hour, in facility, person-centered supports to adults (or individuals transitioning to adulthood) who are living with intellectual challenge, developmental disability and/or mental illness.

Residential Support Workers will work directly with our participants in helping set goals and making healthy life choices. Residential Support Workers will work closely with and report to the Residential Supervisors and Team Leads to observe, plan, implement and execute programs and activities that promote and encourage learning and development in daily living, social and life skills.
